Ka-81/3 • Kha-Para, Khilkhet, Dhaka-1229

I am a dedicated and passionate software engineer with a strong foundation in web development. With a keen eye for detail and a commitment to delivering high-quality solutions, I thrive in dynamic environments where collaboration and innovation are valued. My expertise in PHP, Laravel, Vue.js, and other modern technologies enables me to tackle complex challenges and drive projects to successful outcomes. I am proactive in staying updated with industry trends and continuously enhancing my skills to stay at the forefront of technology. Committed to excellence and continuous improvement, I am excited to contribute my skills and experience to innovative projects and teams.
